

Dear Supporter,

Thank you so much for your interest in sponsoring the 2018 Drive for Recovery Golf Event. All funds raised on the day of the scramble will go to help The Isaiah House Treatment Center in our ongoing mission: **saving lives threatened by substance abuse.**

The Isaiah House is a non-profit ministry that exists to help men struggling with life controlling issues by addressing the entirety of their personal needs. We do this through holistic case management services, intensive clinical treatment, practical jobs training and compassionate medical care. We also provide our clients with on-site GED, college, parenting, nutrition and financial classes. All of this ensures that Isaiah House graduates have the life skills they need to successfully reintegrate into society.

These services are effective, but they are not cheap. Isaiah House's recommended length of stay is eight months. Why so long? Many of our clients have lived in drug addiction for many years, so significant time and effort are required to heal their minds and bodies. Sadly though, most insurance companies will only pay for two to four weeks of residential addiction treatment. This gap in coverage leaves us scrambling to fund the long-term program we know our clients need. **And that's where you come in.** Whether you decide to partner as a \$250 sponsor or go even further to the Bronze, Silver, Gold, or Diamond levels, your company's sponsorship can help save the life of a person who is on the brink.

Please see the attached packet for specifics on our sponsorship levels. **This is not simply a donation—in return for your funding, we will extensively promote your business among our supporters, before, during and even after the event.** Isaiah House has nearly 30,000 Facebook followers: when you sponsor this event, we will make sure each of them know that your business is doing something about the ongoing opioid crisis. We want you as partner, both in our mission to save lives and in the 2018 Drive for Recovery.

Thank you for your time.

Sincerely,

David Cobb

“When I came to the Isaiah House, I was in a dark, empty place and felt hopeless! I had been trying to fill a void that was inside me with all the wrong things and it never worked. Today I have hope and I'm not in that dark, empty place anymore!”
~Rex

“Isaiah House gave me my brother back. My brother had been on drugs for over 30 years. He learned life and coping lessons. He learned how to handle all the emotions he was trying to numb himself from. He also learned about Christ and the importance of his walk with the Lord. I owe them a debt I can never repay and thank you is not enough. Most wonderful gift our family has ever received.”
~Sandy
